

# 2024 MSHSL Art Show Judge's Choice

**Paige Cooper**  
*Balloon Bear*

“Great choices with details and color. You've captured the essence of a balloon and made me want to view all sides of the work. Very excellent use of texture. I'm amazed at how balloon-like your sculpture is! It looks like it could float away! Beautiful execution and attention to detail. Lovely work.”

*In Everything, I Escape*

“So much emotion and atmospheric energy in this piece! Your direction of each subject is meticulous but not stifling in any way. Great experimentation with brushes/textures and conceptually such a strong piece of digital work! Smart use of repetition to tie the composition together. The asymmetry of the composition is so smart!”
