8.4 District-Approved Leave

Subject to the prior approval and discretion of the District, employees may be absent without loss of pay for reasons of required legal appearances/jury duty, or bereavement. Such absences will be at the discretion of the District, but will never be allowed for recreation, absences of personal choice, or for purposes which could be conducted outside the employee's scheduled work day. Prior to taking district-approved leave, employees must receive approval from the Office of Human Resources at least one (1) week in advance, except in cases of emergency.

8.5 Vacation for Twelve-Month Employees

Upon employment, employees who work a full year (52 weeks), including scheduled workdays, holidays, and vacation, will accrue twenty-two (22) days of vacation leave on an annual basis. Vacation will be credited monthly. On the first day of each month, employees will forfeit those vacation days over two (2) times their current yearly accrual.

8.6 Earned Personal Leave for Employees Not Earning Vacation

8.11.1 Assault: An employee absent from work as a result of an assault while acting in a capacity for the District will not be charged with a loss of sick leave or any other leave for the length of time required for recovery, nor for any recurrence thereof. An absence under workers compensation will limit the

obligation of the District to the difference between workers compensation and the employee's daily rate of pay as of the date of continuous absence. This paid leave will cease when the employee satisfies the qualifying period for long-term disability.

8.11.2 Threat: An employee absent from work as the result of a threat while acting in a capacity for the District will receive up to five (5) paid leave days. Such days will not be charged to sick leave or any other leave.

8.11.3 Police Report: In order to be eligible for this leave, the employee must file a police report regarding the incident precipitating the use of this leave.

Any unapproved absence or failure to return from an approved leave will constitute failure to report to work and as such, at the discretion of the District, will be considered a voluntary resignation by the employee.

8.13 Examinations

The District may request a physical or psychological examination, if there is evidence that the employee's capabilities have been impaired and there is a change in their condition since employment. The District will select the physician or psychologist and pay for the examination. Employees experiencing repeated absences due to illness may be required to furnish medical proof of illness.

8.13.1 Long-Term Leave: Employees who fail to qualify for a position either physically or psychologically may request a one-year medical leave of absence. Employees unable to return to work after a one-year leave of absence will be separated from employment, unless otherwise required by law.

On days when the District is closed by the Superintendent due to snow or other adverse weather, employees will be given the time off with pay or required to be on duty depending on the type of school closing. Employees required to work when all schools are closed and most other employees are excused from duties will be granted an equivalent amount of vacation to be used at a later date. In the event an employee's services are not required in their current assignment due to a school closing, the District may temporarily reassign that employee. In the event of a lost workday, the District may establish another day in lieu thereof when employees will perform their regular duties.

**SECTION 10 -

10.1.3 Legal: The 403(b) plan and District match will be subject to all applicable state and federal laws, rules and regulations.

10.2 Retirement Group Insurance

Eligibility of the retired employee, spouse, and dependents for continued participation in District group insurance will be determined by applicable state and federal law.

10.2.1 District Contribution to Health/Hospitalization Insurance in Retirement: Upon retirement if eligible based on Hire Date in Appendix A (after approximately 10 years), employees who are at least age fifty-five (55) years at time of retirement will be eligible for District paid contributions toward health insurance in retirement of one hundred dollars (\$100.00) per month for employee-only coverage and one hundred fifty-two dollars (\$152.00) per month for employee-plus-one or family coverage.
